## Project progress

### [ IO2—Pilot Phase ]

The meeting was opened by Krzysztof Karkowski (KCZIA). After a warm welcome, partners presented their activities between the meetings. Despite the unfavorable situation, the partners worked intensively on the implementation of the Handbook Supplement and the Training Kit material. Subsequently, ZAT representative Miglena Molhova presented the IO2—Pilot Phase results.

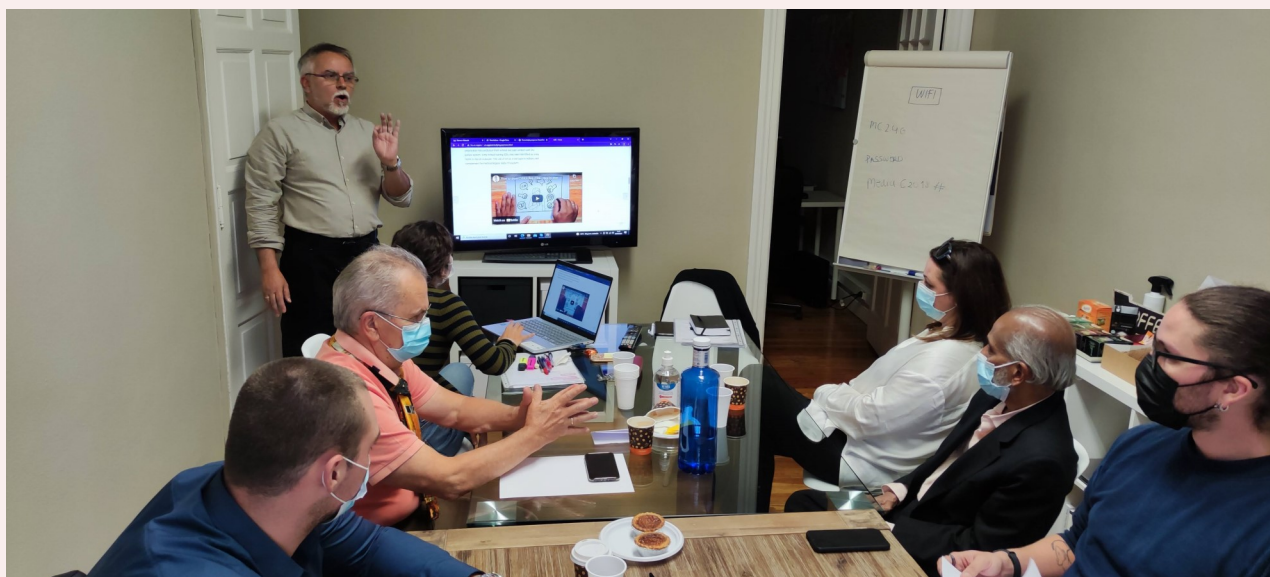

### IO3—Comics Contest

Euroed presented the results of the International Comics Contest as well as the experience in the child perspective.

## Dissemination Activities

Partners discussed about the project dissemination and Exploitation activities. Dissemination activity leader (LabSTEM) proposed the IO3 artworks presentation at each partners promises as a way to disseminate the project objectives. Also, LabSTEM proposed each partner to create a promo guidance of well-known bullying victim's cases. This guidance will be shared to artworks presentation visitors or/and to local multiplier event participants.
